

A close-up photograph of a hand with a bloody palm print on a white surface. The blood is smeared and splattered, creating a stark contrast against the white background. The hand is positioned in the upper right corner, with the palm facing down and the fingers slightly curled. The overall image has a grainy, high-contrast quality, emphasizing the texture of the skin and the wetness of the blood.

# JESUS THE PERFECT SACRIFICE

What is the most significant sacrifice you have ever made?

Typically, when we give sacrificially to someone or to some endeavor, we give from our excess. We sacrifice a little of our extra time. We sacrificially give from our savings. We may even sacrifice our relationships or our peace for a brief period of time. Even after we make a sacrifice, we expect some reward or gain afterwards. The extent of our sacrifice reveals our level of commitment. The more we are willing to sacrifice exposes how much the recipient means to us.

God sacrificed His most precious thing for those He loves the most with no expectations and with no guarantee of repayment. We can be confident and certain of God's commitment to His people by evaluating His sacrifice to us: Jesus Christ.

***Jesus is the ultimate and perfect sacrifice.***

Before Jesus, the priests of the Old Testament would accept the blood of an innocent and unblemished animal to pay the penalty for the sins of the people (Leviticus 22:17-25). God required blood be shed to remind people that any sin required the death penalty (Romans 6:23). This animal would temporarily take the place of the sinner's required death. The blood sacrifice would symbolically remove the sin, and God would forgive the sinner for that one, specific sin (Hebrews 9:22). Try to imagine that scene in your own life.

With every lie, every unholy thought, every act of anger, pride, or jealousy, you have to stop everything you are doing. You have to select one of your innocent, unblemished, perfect animals. You have to walk to the priest at the tabernacle to have the animal slain in order to be forgiven. Each and every single time.

Imagine all the blood that would be shed on your behalf in one day, one week, much less your entire life.

***Neither by the blood of goats and calves, but by his own blood he entered in once into the holy place, having obtained eternal redemption for us.  
(Hebrews 9:12 KJV)***

The words spoken by Jesus on the cross, "It is finished" were a cry of victory, not defeat. The death of Jesus was the beginning of a new covenant for all who believed in Him. No longer would the blood of innocent lambs be sacrificed for sin as required by the Mosaic Law. The Father made a better way by sending Jesus into the world to make a one-time sacrifice through the shedding of His blood. Jesus took upon Himself the sins of the world and became the sacrificial Lamb of God. The sin debt was settled, and reconciliation to God was made possible. Jesus laid down His life willingly, offering humanity the gift of eternal life.

The Resurrection proved that Jesus was the Son of God, who was sent by the Father to die for our sins. (John 3:16). Because Christ rose from the dead, we have the assurance that our salvation is secure. Let us rejoice that we worship a risen Savior who is alive today.

# WHAT IS HOLY WEEK?

Holy Week is a string of eight days that allow us an opportunity to reflect upon the shift in humanity Jesus' sacrifice on the cross launched. It starts with Palm Sunday when Jesus enters the city of Jerusalem. The week leads us through the Last Supper, His crucifixion, and ends on Easter Sunday with His resurrection. This is the basis of Christianity, His sacrifice launched the New Covenant God promised and many had prophesied throughout the Old Testament. Each day of Holy Week allows us to peek into the heart of our Savior at an intently close proximity. His love for us is reflected in every significant step toward the cross, every breath up to the last, and His resurrection.

## **How Holy Week Leads to Easter Sunday**

Though Jesus didn't walk the earth incarnate until He was born in Bethlehem to Mary and Joseph, He exists and works throughout the entirety of the Bible. Scripture assures us that He was present at Creation with the Father, that He is the Word, and many prophecies were specifically fulfilled during this final, holy week of Jesus' life on earth. Each Gospel has a narrative of the last week of Jesus' life (Matthew 21-28; Mark 11-16; Luke 19-24; John 12-21).

# WHAT IS HOLY WEEK?

Holy Week begins on Palm Sunday and ends with Easter Sunday. During this one week, many biblical prophecies were fulfilled. Jesus came to earth to save humanity by dying on the cross on Good Friday and resurrecting on Easter Sunday. By enduring and defeating death sacrificially for us, He swung open the gates of heaven making a way for our sin to be forgiven and usher us into the presence of God (Romans 5:8).

**"IT IS DURING HOLY WEEK THAT WE SEE MOST PROFOUNDLY HOW DEEP THE FATHER'S LOVE IS FOR US."**

Due to the sinful nature of humanity as a result of Adam and Eve's fall in the garden of Eden, it's impossible for us to be "good enough" to be in the presence of God and forgiven for our sins. Jesus died to make the way for salvation. The Old Testament Law offered many sacrifices to God, but Jesus was the perfect atoning sacrifice once and for all. He endured the cross out of His great love for us. Holy Week is a sacred opportunity to study the foundation of Christianity. Our God is not one of coincidence. Every step toward the cross was intentional, every lesson laced with His personal love for all of us.
